

TRANS LANGUAGE ING

Uso mi
repertorio entero
to make meaning
of the world

Adentro,
soy bilingüe all
day long

The world may not
always hear or
see my
translanguaging
but I'm always
doing it

And when
I do make my
translanguaging
audible or
visible, I don't
deserve to be
shamed. Tengo
derecho a usar
todo mi lenguaje
para aprender y
expresarme
auténticamente y
sin pena.

Translanguaging = using our entire linguistic repertoire fluidly,
transcending the externally defined boundaries of named languages
