

# TRANS LANGUAGE ING P E D A G O G Y

¡Me siento afirmada y  
animada! I feel invited into  
reading and writing as my  
authentic bilingüe self.

## AFFIRM

students as  
they develop  
their  
identities as  
bilingual  
readers and  
writers!

## ENCOURAGE

students to  
use their  
entire  
linguistic  
repertoires!

## INVITE

students to  
bring  
bilingual  
ways of  
knowing to  
the texts they  
engage with  
and author!

*"Multilinguals perceive the world differently than monolinguals. When emergent bilinguals read, write, learn, and communicate, they draw from linguistic repertoires that are rich in a variety of linguistic features. Students' unique bilingual perspectives must be recognized and celebrated by teachers."*
